Re: Technical Assistance Contract
Jackpile-Paguate Project

Dear Marc:

This will acknowledge receipt of your letter to me dated January 3, 1985 and our telephone conversation today concerning your firm's approach to the ground water issues which the Pueblo is currently confronted. Since we've discussed the problem at length, I don't have any further questions. I appreciate the immediacy of your response and the quote. Please proceed with the preparation of an amendment to the contract as described in your letter. Upon receipt I will send it to the BIA for review and approval.

Sincerely,

PUEBLO OF LAGUNA
